JOIN TODAY!

As a non-profit, we rely on individuals like you who share the same passion for environmental education to fulfill our mission. With your support as a loyal member of Citizens for a Better South Florida, we are able to provide neighborhood revitalization efforts through community tree plantings; organize habitat restoration efforts at various public spaces in South Florida; and offer environmental youth education workshops to prepare the future leaders of tomorrow in this environmental movement.

As a member, you will also enjoy these great benefits:

- Subscription to our e-newsletter
- Free VIP access to all CITIZENS-led educational and outreach events
- Discount tickets to our annual fundraiser
- Participate in volunteer projects
- Support local environmental initiatives and conservation efforts
- 15% off your total purchase from our GoNative! Plant Nursery

We sincerely thank you for your generous contributions!

Please fill out this form, detach the portion below, and mail it back to us with your form of payment.
